Barrett Taylor Joins Solar Group For Chattanooga Area

posted August 8, 2009

Barrett Taylor has joined Sustainable Future as account executive for commercial solar applications.

Mr. Taylor will be managing the energy grant writing for businesses in the Chattanooga area.

Year to date 2009, Sustainable Future has successfully secured \$300,000 in energy grant money for their clients.

Mr. Taylor will provide the education and resources for area businesses to take advantage of the federal, state, local and utility grants and incentives for solar energy installations.

Barrett Taylor

Year to date for 2009 Sustainable Future has assisted commercial businesses with getting nearly \$300,000 awarded in state energy grant money. Federal, USDA, Local and other incentives are in addition to the state grant money.

Mr. Taylor will also be coordinating and making available Sustainable Futures technical resources to the Chattanooga community for solar energy system design, engineering, installation and education.

Before joining Sustainable Future, Mr. Taylor spent 10 years working for and

consulting with various non-profit agencies in Tennessee.

He currently serves as a board member for Habitat for Humanity, and as board chairman for Chattanooga Endeavors, a publicly supported charity that helps former offenders return to productive roles in society.

A graduate of the McCallie School, Mr. Taylor holds a B.A. from the University of Colorado at Boulder.

He is married to Lane Brown Taylor and they have one child.

He can be reached at 423 400-4496 or barrett@sustainablefuture.biz
