

MATADOR

Military-Inspired Briefcases and Wallets

Matador's collection of business accessories are made with high-end ballistic nylon and infused with tactical styling elements.

Every bag is designed in New York and well-equipped for a working professional, with room for a 15 inch laptop and a look that's at home in an office or on the road. Our products are sensibly priced and built to last.

We're taking product pre-orders through a fundraising campaign on Indiegogo through March 10th. Our Ballistic Wallet can be ordered for \$49, our briefcases can be ordered for \$145, and our business backpack can be ordered for \$159.

10% of our total proceeds will be donated to the Wounded Warrior Project
