FOR IMMEDIATE RELEASE

InterDyn-Remington Consulting Joins InterDyn BMI

[Minneapolis, MN — February 26, 2014] — InterDyn BMI (Business Microvar, Inc.) and InterDyn-Remington Consulting, two leading providers of Microsoft Business Solutions are pleased to announce they are joining forces effective immediately. The combined organization will be known as InterDyn BMI.

The merger provides new geographic expansion for InterDyn BMI. As Microsoft Gold Certified ERP and CRM solution providers, Portland based InterDyn-Remington Consulting and Minneapolis based InterDyn BMI have been working closely together for over 13 years providing each other consulting resources and best practices. The expansion allows InterDyn BMI to provide customers with Microsoft Dynamics consultants from 15 locations nationwide.

“We are delighted to be able to bring our customers more consulting resources, more specialized expertise, more support, more solutions, and more individualized attention,” said Tad Remington, Vice President of InterDyn BMI. “In addition, the expanded locations, solutions, and Microsoft support will enhance the success of our Healthcare and Senior Living Industry software solution ERP4Health®.”

“InterDyn-Remington is well known for providing customers with deep expertise and world class customer support,” said John Hendrickson, CEO of InterDyn BMI. “We are particularly excited about the ERP4Health® solution and our enhanced ability to meet our customers changing business needs in the healthcare industry.”
