90 Day Race Announces Release of Corporate Program

The patent-pending 90 Day Race by Dr. Rollan Roberts II is now available for organizations and companies with accompanying workshops, workbooks, custom books and keynote speeches.

Whitefish, MT – March 25, 2014 – Dr. Rollan Roberts II and the 90 Day Race are pleased to announce the release of the fully branded and customizable 90 Day Race Corporate Program.

“Successful companies are always looking for innovative ways to accomplish key initiatives, launch new brands, spark sales and recruiting and improve performance, quality and outcomes”, says Dr. Roberts. “The 90 Day Race Corporate Program is the premier professional development program for teams and organizations in today’s leading companies looking to improve sales, culture, morale and performance.”

Dr. Roberts has created and packaged the patent-pending 90 Day Race Corporate Program that includes visual coaching calls, workshops, 150 page workbook, custom 90 Day Race gift books and keynote speeches.

“The 90 Day Race is ideal for companies looking to grow quickly and inspire their staff and sales teams to achieve new levels of excellence and revenue,” Dr. Roberts continued.

The 90 Day Race book, program and coaching services are available at www.90DayRace.com.
