

Edu Niche Unveils Interactive Website for Online English Tutoring at Affordable Rates

EduNiche.com Helps Students Improve Written and Spoken English Skills via Online English Homework Help by Trained Tutors

(April 09, 2014) (Fort Worth) – EduNiche.com helps students [find online tutors](#) for a variety of subjects and gives them a chance to learn in an interactive and engaging environment. [Online English tutoring](#) at Edu Niche is aimed for students of all ages and helps them attain proficiency at the language without the hassle of travel. Students can take advantage of the personalized one on one tutoring sessions at Edu Niche and learn basic concepts, talk directly to tutors and also share documents and learning material without any external software.

The spokesperson for Edu Niche further elaborated this concept. “At Edu Niche, we aim to create a productive, engaging and fun learning environment for students without any external pressure. A lot of students fall behind in studies because of the traditional class room environment where getting individual attention may be difficult. We help students learn at their pace and get personalized attention from responsive, amicable and certified tutors. This way, they can grasp every concept clearly and excel at academic tests as well as professional life!”

Edu Niche offers tutoring help for students from kindergarten to high school and college. With its interactive features and ease of use, Edu Niche can also help schools, libraries and educational institutes provide students some extra guidance online.

For those who can't find online tutors or are hesitant of the concept of online learning, Edu Niche has a strict tutor certification procedure in place. All the tutors at EduNiche.com have to undergo a professional certification test prior to teaching so that students and parents can be assured of their competency. All tutors also have to go through an extensive background check to create a safe learning environment for the students.

[Online English homework help](#) also facilitates students who can't travel everyday at the same time for coaching lessons. The company spokesperson shed light on the main feature of this website – 24/7 availability of the teachers – and discussed how it can help students at both school and college level. “Online English tutoring is especially helpful for students who have a tough schedule and cannot attend coaching centers on a regular basis. We at Edu Niche aim to bring the classroom to your home with an intuitive environment, live chat sessions and 24/7 availability of certified and experienced tutors.”

At Edu Niche, every tutor is professionally certified to provide daily homework assistance, guidance on projects or even help in professional test preparation. Compared to other online learning resources, Edu

Niche makes online English tutoring fun, engaging and interactive with video lessons and live chat options. No technical proficiency, external software or travelling is required to learn English at Edu Niche which helps students save their time and money. The affordable unlimited plans on the website are tailor-made for students who want to enhance their knowledge and improve their academic performance without breaking the bank. The bottom-line is that EduNiche.com is a good choice for students who want to study from experienced, qualified and friendly teachers and bring an interactive classroom-like environment to their home.
