- Select the check(s) from the check list and click the **Print** button to print your check.

The screenshot shows the ezCheckPrinting software interface. At the top is a menu bar with options: File, Settings, Accounts, Print Checks, Report, Order Checks, Import/Export, and Help. Below the menu bar is a toolbar with buttons: New, Delete, Edit, Duplicate, Select All, Clear, Refresh, Print, and Print No Stub. The main area displays a check form for 'Sample Company' (100 Somewhere Rd., Nowhere, CA 90000, (111) 111-1111) and 'Karen Art Studio' (123 Bank Road). The check number is 1001, dated 09/16/2013. The payee is 'test' for \$12.00. The memo is 'I'am good'. Below the form is a table of checks:

Select	Check Num	Payee	Serial Numbe	Check Amo	Memo	Note1	Note2	Check Date	Payee Name	PayeeA
<input type="checkbox"/>	1004	test	4	123.34				09/19/2013		
<input type="checkbox"/>	1003	test	3	0.00				09/17/2013		
<input type="checkbox"/>	1002	test	2	1234.00	I'am good			09/17/2013		
<input checked="" type="checkbox"/>	1001	test	1	12.00				09/16/2013		

Below the table, an orange text instruction reads: "Select the check(s), then click the PRINT button to print".
