## KINDERDANCE® PARTNERS WITH KNOWLEDGE UNIVERSE

Kinderdance International Inc. based in Melbourne, FL. a leader in developmental dance, gymnastics and fitness programs for young children is proud to announce:

Kinderdance® has been approved as a 3<sup>rd</sup> party vendor partner of Knowledge Universe.

Knowledge Universe is the largest private early childhood provider in the US.

Knowledge Universe Education LLC owns  
KinderCare® Learning Centers \* Knowledge Beginnings® \* CCLC®,  
The Grove School® \* Champions® Cambridge Schools™

Knowledge Universe believes in preparing children for a successful academic future and for life through instilling a vibrant sense of learning and curiosity. Their early childhood education centers are safe and secure places to learn, and their research-based curricula comprise abundant activities that model healthy behavior, grow strong bodies and teach children how to make a lasting, positive impact on the planet. Children learn in a safe, child centered environment through self-exploration and a variety of open-end activities. **Kinderdance® International** has been selected to provide age appropriate developmental dance, motor skills, movement, and fitness activities to young children, while they learn colors, numbers, shapes, words, and songs. **Kinderdance® programs** will become an integral part of the **Knowledge Universe** curriculum. **Kinderdance®** blends education and movement programs ensuring that each child has an optimal learning experience. All programs focus on child's total mind/body development.

"It's wonderful to be expanding **Kinderdance®** across the **1700 Knowledge Universe locations** in the USA where **over 300,000 children are enrolled**. For young children, movement, fitness, music and dance are natural tools for learning and communicating while expressing their feelings," says Kinderdance Vice President, Karen Maltese.

**Kinderdance®**, with 130 Franchisees in 36 states and 8 countries, places emphasis on building **self-confidence** and **self-esteem** in children through learning to share, lead, interact and respond to others needs as well as their own. Children learn through a professionally researched and proven curriculum of dance, motor development, and fitness instruction combined with educational tutoring taught by fully trained **Kinderdance®** instructors.

**Kinderdance®** programs incorporate the arts, movement, education, music, fitness and the fun of learning into a young child's life while helping in the worldwide fight against childhood obesity.

The company offers the educational movement programs on site to child-care centers, recreational centers, churches, fitness centers, corporate child care, community centers, military bases, public and private schools and may other viable locations.
