EPICURE DIGITAL FRONT OF LINE DRY ERASE BOARDS

FOUR MODELS: FLAT, FREE STANDING, MAGNETIC FLAT AND MAGNETIC FREE STANDING

Front of Line Flat, Free Standing non-magnetic, and Suction Cup Dry Erase Boards are manufactured with safe rounded corners (no dangerous sharp corners) on special rugged materials: Flat and Free Standing non-magnetic menus are printed on extruded lightweight yet rigid PVC foam board; Suction Cup menus on rigid aluminum foam board. All Front of Line Dry Erase Boards use advanced printing technology and UV ink to assure long lasting durability for indoor and outdoor use.

Customization and Shipping Information

Dry Erase Boards are not returnable. Inform shipper if there is any damage.
 Delivery takes about 1-2 weeks after we receive your order.
 Upon arrival, inspect all orders while the driver is still present. Refuse any damages.

Custom Boards include Logo and Message (see myplatemenuboard.com for example)

Provide logos as layered adobe illustrator files with fonts outlined.
 Before printing any custom board, we will provide a .pdf proof for your approval and sign off.
 Our normal lead-time for proofs is 5 business days from receipt of acceptable artwork.
 Delivery takes about 1-2 weeks after approval of proof.
