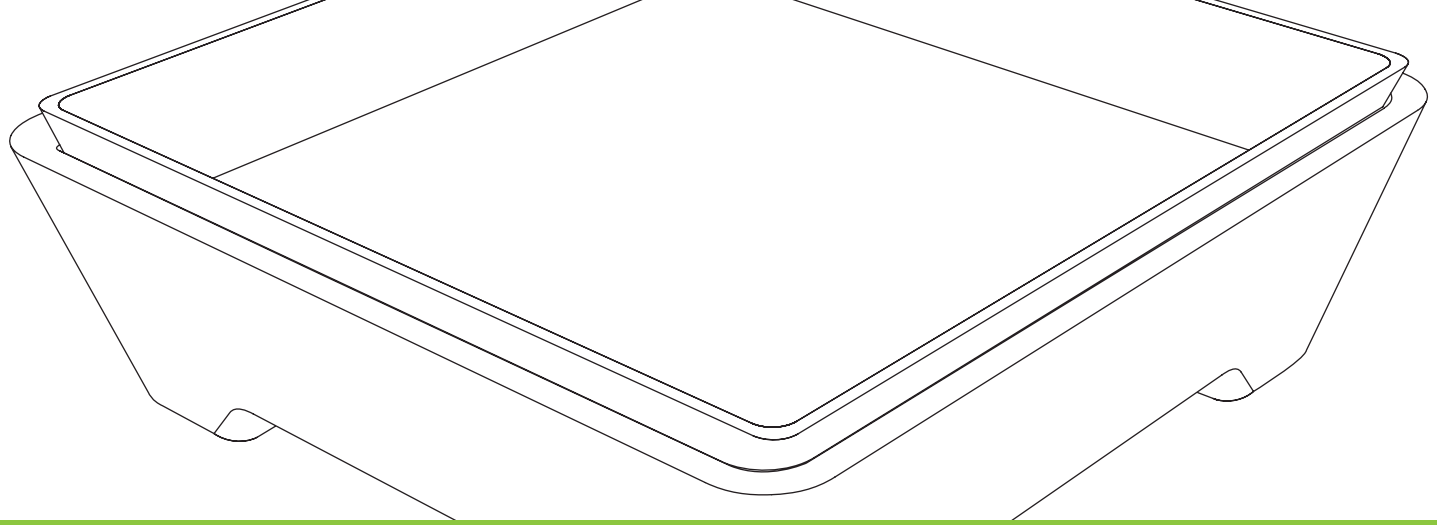
freshness

Freshness

Freshness is the "soul" of every dish, don't let it escape!

VIDACASA™ diningware is capable of sustaining a multitude of temperatures for long periods of time without the need for external power.

By wirelessly delivering a consistent optimal temperature, VIDACASA™ preserves the most essential quality of food: Freshness.



VIDACASA™

Creating environmentally and economical friendly products is the core of VIDACASA's™ mission to help deliver fresh food always. Our products offer a high return on investment due to the versatility, flexibility, and portability of VIDACASA™.

The iThermo® technology offers a seamless, display hidden under the plates that keeps food at consistent hot or cold temperatures without the conjunction of wires, danger of open flames, or the tedious task of constantly changing ice.

The Ideal Temperature Keeper

There are so many factors that can ruin a great dessert. Even the best Madagascar bourbon vanilla with perfect craftsmanship can be ruined instantly by hot temperatures. However, with VIDACASA™ food is presented at the temperature it was intended so the fresh taste goes above and beyond what the guest expected.

Versatility

From 4°C (39.2°F) to 60°C (140°F), VIDACASA™ provides a safe temperature for any type of cuisine, whether you desire food to stay hot or cold VIDACASA™ can make it happen.

Flexibility

The ability to use hot and cold cells interchangeably with different VIDACASA™ diningwares.

Portability

After a full charge (4 hours for hot, 24 hours for cold) both the hot and cold cells are ready for hours of wireless temperature control. Just insert the iThermo Cell™ into the VIDACASA™ diningware and that's it! Stays hot up to 4 hours, cold up to 6 hours.

The Pâtisserie's Choice

Desserts can now be served at the right serving temperature at 4°C (39.2°F) for up to 6 hours, using no external power.

How do you preserve freshness?

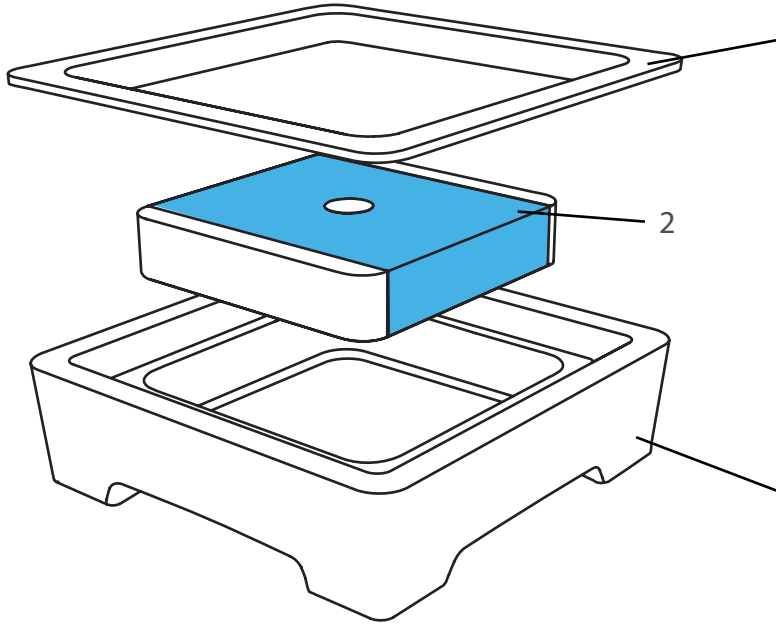
VIDACASA™ In Detail

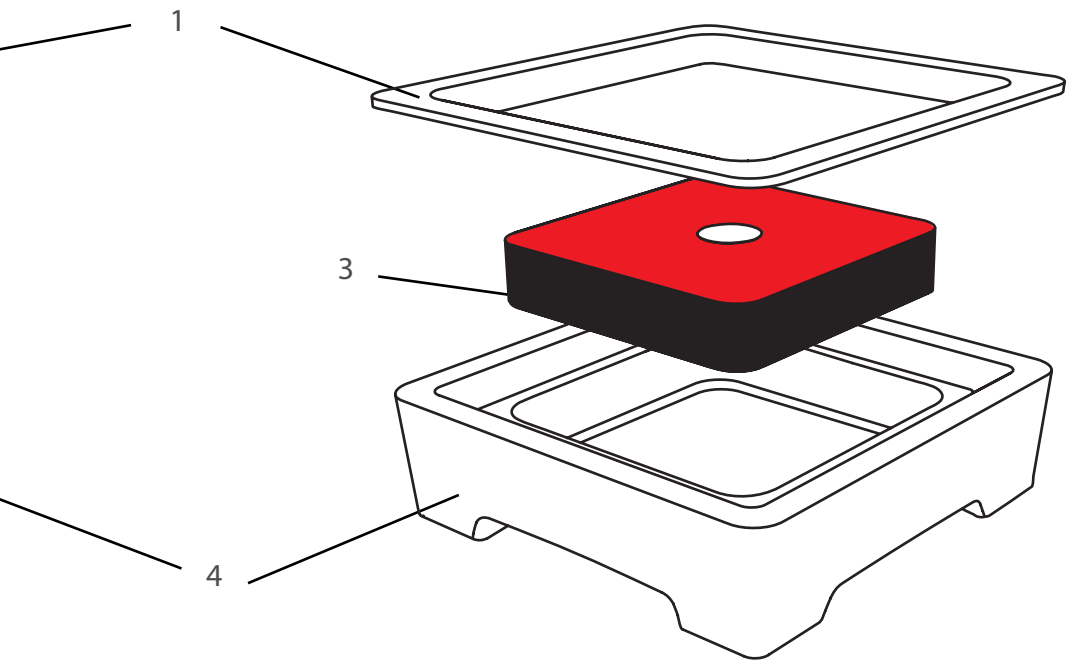
High Conductivity Porcelain Plate

The top serving plate is efficient in temperature control and conductivity.

iThermo Cell™

Utilizing iThermo® technology, VIDACASA™ food displays provide consistent food temperature of 4°C (39.2°F) up to 6 hours, or high temperature of up to 60°C (140°F) for 4 hours wirelessly, keeping food fresh.





Heat Insulated Thermal Base Tray

The base tray is made with polyurethane, a high-density thermal insulated material that helps retain the hot/cold energy produced by the iThermo Cell™ for long periods of time.

2. iThermo Cold Cell™
3. iThermo Hot Cell™
4. VIDACASA™ Thermal Base Tray

iThermo Cold Cell™

-10°C

• Deliver Sub-Zero Cooling

iThermo Cold Cell™ is 10x cooler than blue gel and can deliver consistent sub-zero temperatures of -10°C (14°C) and does not require electricity. Cooling Storage options can extend to raw fish sushi, caviar, oyster and foie gras, etc.

REUSE

• Rechargeable Cold Power

Can be reused for 300 times & more.
(Recharge by placing iThermo Cold Cell in -18°C(-0.4°F) freezer for 24 hours)

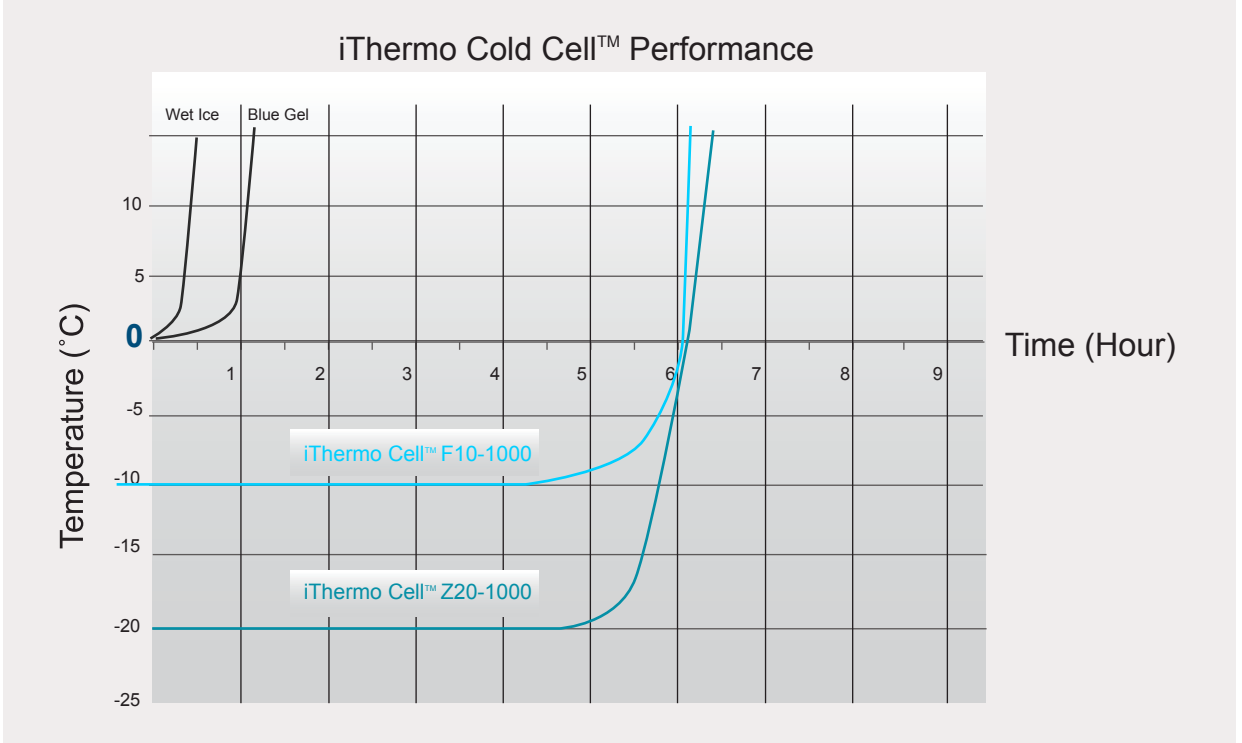
6 hours

• Up to 6 hours Sub-zero Performance

iThermo Cold Cell™ can deliver a low temperature of -10°C (14°F) up to 6 hours up in standard insulated container which today's standard blue ice / gel and wet ice packs can never deliver.

• Food Safe And Non-Toxic

The iThermo Cold Cell™ is food safe and complies with USA, BS EN and FDA standard tests.



iThermo®

F10-1000

Product Specification

Case/Material: HDPE + Aluminum
Size: 20cm(W) x 20cm(L) x 4cm(H)
Freezing Point: -10°C (14°F)

F10-200

Product Specification

Case/Material: HDPE + Aluminum
Size: 15cm(W) x 15cm(L) x 1.7cm(H)
Freezing Point: -10°C (14°F)

iThermo Hot Cell™

110°C

• Fast & Efficicent Heating

- Reach 110°C (230°F) in 5 to 10 minutes
- Maximum 99% energy efficiency
- Able to generate 5000W power output per 10 x 10 cm²

• Cordless / Wireless

- Driven by battery and D.C. power
- Low electrical resistance
- Fully charged at 6 hours, works with 110/240v power

• Use With Any Cooking Utensils

- Capable to be used with metal, glass and ceramic utensils

RECHARGEABLE

• Rechargeable

- Can be used for 1,000 times or more.
