

PRESS RELEASE – FOR IMMEDIATE RELEASE

RICHARD KAMMANN JOINS ARCADIS AS CLIENT DEVELOPMENT MANAGER

TEMPE, ARIZONA – April 28, 2008 – ARCADIS, one of the nation’s premier engineering and project management/construction management (PM/CM) firms, is pleased to announce the addition of Dick Kammann to its staff. Mr. Kammann brings more than 40 years of experience in the design and construction industry to the ARCADIS organization and has been involved in securing PM/CM contracts in the Mid-Atlantic and Northeast U.S. for the past 30 years. Located in ARCADIS’ Columbia, MD office, Mr. Kammann will serve as Client Development Manager (CDM) in support of the firm’s Mid-Atlantic PM/CM operations.

As CDM, Mr. Kammann is tasked with growing ARCADIS’ PM/CM practice on the East Coast. He will draw upon his extensive background in all phases of the building process – planning, design, and construction – to help ARCADIS further develop its PM/CM business in the water/wastewater, K-12 and higher education, office and commercial, corporate, corrections, and healthcare sectors.

Mr. Kammann is a graduate of Rensselaer Polytechnic Institute where he earned his bachelor’s degree in engineering and a master’s in business. Prior to his career in sales and marketing, Mr. Kammann served as a Reactor Project Engineer and Project Manager, and as an officer in the Navy Nuclear Submarine Service.

ARCADIS is an international company providing consultancy, engineering and management services in infrastructure, environment and facilities, to enhance mobility, sustainability and quality of life. ARCADIS develops, designs, implements, maintains and operates projects for companies and governments. With more than 13,000 employees and over \$2 billion in gross revenue, the company has an extensive international network that is supported by strong local market positions.
