Exergame Fitness & Avanti Fitness partner to launch the debut of the world's only motorized climbing wall...The Skywall.

Carlos Aviles of Avanti Fitness says, "Upon introducing the Skywall to the American market our goal at Avanti Fitness was to find a distributor that could provide installation, maintenance and develop training programs for the world's only motorized climbing wall. Exergame Fitness has proven to be exactly what we are looking for. The experts at Exergame Fitness have the ability to ensure every Skywall customer has success by offering every possible service in the distribution process. It is our pleasure to have this exclusive relationship with Exergame Fitness and we look forward to facilitating the Skywall in America"

Tommy Seilheimer CEO of Exergame Fitness added, "We are very excited to have worked an exclusive partnership with Avanti Fitness for the American market as well as providing our 9 international distributors with a product that is cutting edge and fun. The Skywall is a new innovation in climbing and will provide kids, teens, adults & all climbing enthusiasts with pre-programmed courses which can take competition and personal goals to a higher level. Our company is always focused on products that generate excitement and results right off the bat. When you walk into a room and see the Skywall looking at you, your first response is to climb it. It's simple, engaging and delivers huge fitness based results."

The Skywall is the only fully motorized climbing wall w/ preset courses that change speed and incline (10 different speed/pace levels).
