Don't Misunderstand Me...I Want Your Vote!
Political Talk Edition
By Merrilee Kimble & Jason Myers

Third Book Introduced to the Runaway Hit Series Don't Misunderstand Me Pokes Fun at Politics.

Don't Misunderstand Me...I Want Your Vote – Political Talk Edition (ISBN: 978-0-615-24981-0) is now available in paperback and to Amazon Kindle customers.

Just as the 2008 Presidential campaigns heat up, this humorous new book from Merrilee Kimble & Jason Myers takes a look at the consummate bottleneck in our political system...politicians. Forget banging your head against the wall in frustration over political banter. It's time to sit back, relax and read a humor-filled and, dare we say, sarcastic and perhaps even brutally honest view of what politicians say versus what they might actually mean.

Merrilee Kimble and Jason Myers turn frustration into laughter with **Don't Misunderstand Me...I Want Your Vote – Political Talk Edition**. They set out to gather some of the phrases politicians like to repeat, in some form or fashion, *ad nauseam*. They then put on their thinking hats to determine what politicians might actually be thinking when they speak these phrases. When they say they want to save the world and cut taxes, are they really thinking "Yeah, right" or perhaps "When pigs fly"?

It seems there is no end in sight to the political routine. Politicians continue to spread their messages, and the voting public grows more and more disenfranchised with the process. So what are we to do? In the authors' opinion, laughter is good medicine. After all, why spend your life taking things seriously when you have the choice to lower the frustration threshold and just enjoy some good laughter? The authors have captured all of the little political thoughts in words, with illustrations by Merrilee Kimble.

After you read this book, we hope you find yourself wondering what politicians are really thinking when they speak, and then replace a few moments of frustration with your own laughter.

ABOUT THE AUTHORS:

Merrilee Kimble and **Jason Myers** have also written the companion books: **Don't Misunderstand Me – I Love You...Most of the Time – Relationship Conversation Edition** and **Don't Misunderstand Me...I Think You're a Moron – Office Conversation Edition**. Realizing that people consistently cope with their work or relationship-related stress with either frustration or laughter, the authors chose to focus in on the latter with their first two books. If you're looking for a humor-filled and, dare we say, sarcastic or perhaps even brutally honest view of day-to-day misunderstandings either at the office or in your relationship...sit back, relax and read on.
