

From **Charmaine PR Firm -Up** and Coming Film and Television Star **Christina DeRosa**

Will be racing in the [Rally for Kids with Cancer Scavenger Cup](#), Saturday May 2, 2009. The navigator will be [David Albert Pierce](#) of the [Pierce Law Group](#). The Rally for Kids with Cancer Scavenger Cup is ignited by the desire to help [Children's Hospital Los Angeles](#) and [PADRES Contra El Cáncer](#) end kids' cancer. The Honorary Chair is [Eva Longoria Parker](#).

A Message From Christina DeRosa

I signed up with [Rally for Kids with Cancer](#) as a great way to raise funds for [Children's Hospital Los Angeles](#), an international leading Pediatrics children's hospital that cures children, adolescents, while helping their families by offering an integrated medical care and, [Padres Contra El Cancer](#), an organization devoted in helping Latino children and their families navigate our convoluted medical health care system by promoting a comprehensive understanding of childhood cancer and other blood disorders as well as effective methods for their treatment. I could tell you numerous statistics on the ever-growing number of young children getting this horrible disease but it means nothing. You, need to go to Children's Hospital, look in their eyes, and see the hope that they have when they look into ours.

Their hope is that we can cure them so they can leave and be outside and play with their friends. "We" is the doctor, the nurse, the mother, the father, the grandfather, a friend, anyone, that their young innocent eyes can land on. I want to be that friend who can help cure them and because I have no medical skills, to do so, I can only do the next best thing, for all the children, which is help, raise the funds that are necessary in these tough times to help with the cure for children's cancer. This is why, I decided to refocus my attention and help with the fundraising.

I, [Christina DeRosa](#) and [David Albert Pierce](#) are asking you to donate. To donate for that child, who is undergoing chemo, or tomorrow will undergo an operation. Please, understand that we are far more fortunate than they are. That, we unless you are a child, are far more fortunate than they are, for we were given the chance to play with our friends, but they may not.

To Donate please go to
