AN INTIMATE WOMEN'S GROUP  
WORKING TOGETHER ~ ACHIEVING RESULTS

You bring the challenge ~  
together we brainstorm solutions

## WONDERING IF SERAPHIM SPHERE IS RIGHT FOR YOU?

Consider how many times you had challenges in the past regarding the following topics and came up empty...

### •~ Balancing home and work

- ~ Making time and space for yourself during the work day
- ~ Business decision making process: business versus personal
- ~ Marketing & public relations
- ~ Budgeting
- ~ Organization or
- ~ Hiring & releasing of staff

Not just for Women Business Owners and Entrepreneurs! Business manager, Vice Presidents, Administrators, Supervisors or anyone who is in a decision making position within their organization will be able to achieve results and move themselves forward in their careers by enrolling in the Seraphim Sphere workshop series.

## WORKSHOP STYLE WOMEN'S GROUP

Each workshop series will have five women focused on you and your business every week; brainstorming solutions to challenges you are facing to grow and build your business. The old saying of “two heads are better than one” could never be truer but fortunately with Seraphim Sphere you will have the support of five brilliant minds working together to support you. Over the course of four weeks you will receive experienced and professional feedback empowering you to find solutions for your business challenges.

## WORKSHOP DETAILS

An intimate women's group working together & achieving results

- ~ Four women enrolled per workshop series.
- ~ Workshops run for four consecutive weeks.
- ~ In-person meetings held at Therapy in Transition's offices in Wilsonville while webinar participants will need to have internet connection and a webcam available.
- ~ In-person participants receive workbook and CD containing all information covered during the workshops; webinar participants will be given Adobe.
- ~ All participants will have twelve months of ongoing support to post follow-up questions for team members and a professional coach to respond to offering feedback and possible solutions and information packages.
