VideoSingles.net launches video-dating site for Northeast-Florida singles.

A new dating website launched today offering a different approach to online dating for Northeast-Florida singles. VideoSingles.net offers members a peek at other local singles through video interviews completed by each member before joining and allows members to set up dates through the website. VideoSingles.net will also launch Speed-Dating parties in the local area.

Jacksonville, FL July 3, 2009, Northeast-Florida singles will now have a new resource to meet other singles through a brand new dating website, VideoSingles.net, that went live today. The website allows members to search for their perfect partner by viewing videos of the candid and often humorous interview completed by each member before joining.

While other dating websites utilize only photos provided by members on their profiles, which at times can be outdated or not an accurate representation of the member, VideoSingles.net provides current video footage of each member. The video is taped at the VideoSingles.net offices on Salisbury Road with questions ranging from "What was the first album you ever bought?" to "If you could do lunch with 1 person dead or alive, who & why?." Members search for their perfect partner by screening the videos to get a sense of each individual's personality and to see how others answered the same questions they were asked. Thus you See the Date, before you Set the Date!

VideoSingles.net is open to all single people, ages 18-81, living in the Northeast-Florida region.

VideoSingles.net is also planning on hosting monthly Speed-Dating Parties around Jacksonville to recruit new members and encourage existing members to mingle in an organized event. At a Speed-Dating Event, singles have the opportunity to meet a larger number of people in an organized format where they are given a set-time period to meet with other singles. "The Video Singles Summer Speed-Dating Party" will be the company's 1st Speed-Dating Event & is set for August 15th, 8pm to midnight, at the Jacksonville Sports Bar, 234 A Philip Randolph Blvd, Jacksonville, Fla, 32202, next to The Jacksonville Arena & The Suns Baseball Field.
