ToonsWare™

today's topical humor everywhere.

ToonsWare is the premiere mobile app to get your daily dose of editorial cartoons. View the top nationally syndicated cartoonists from the left, right and center on all current and past topics. Commenting, rating and sharing are all built in.

SOCIAL COMMENTARY – FROM THE LEFT, RIGHT AND CENTER

Editorial cartoonists take social commentary beyond the boundaries of the written word, influence public opinion, and inspire debate from all sides on topical political issues.

For centuries, editorial cartoons have migrated from private parlor showings to internationally syndicated publications conveying the unique combination of politics and art with journalism, and rendering social concerns or political views as a creative expression that is shared on a national and global level. This form of graphic satire has remained a strong part of the social order by contributing to changing the status quo, creating lively banter, raising social concerns, and spurring people to fight for change.

Editorial cartoons speak to everyone, without needing to be translated.

TOP NATIONALLY SYNDICATED EDITORIAL CARTOONISTS

ToonsWare subscribers can stay tuned to the latest in nationally syndicated cartoonists from the left, right and center on all current and past topics. ToonsWare has been developed in partnership with Tribune Media Services and delivers the best in Editorial and Political cartoons as seen in hundreds of newspapers across the country daily.

The roster of cartoonists includes, Chan Lowe, Dana Summers, David Horsey, Dick Locher, Don Wright, Drew Sheneman, Jack Ohman, Matt Davies, Paul Conrad, Walt Handelsman and Wayne Stayskal.

No longer will you have to tear out the cartoons from your daily newspaper print edition and throw it in a scanner in order to share it in e-mail or spend time looking for them online. This App lets you share your favorite cartoons via e-mail right from the comfort of your iPhone as well as rate and comment on them.
