For Immediate Release:

Corporate Transportation reaches 30% Growth

Jacksonville, FL – During a time when most transportation companies are parking trucks, Corporate Traffic, Inc. continues to expand its asset based subsidiary, Corporate Transportation. With the most recent addition of four new company trucks and trailers, Chad Cline, Executive Vice President of Corporate Transportation stated, “Adding more equipment to our asset side gives us more stability now and will better prepare us when the economy rebounds. This will be a great benefit to our customers.” The Corporate Transportation Fleet has experienced a 30% growth in capacity over the past twelve months, and plans to continue their development to support existing and future business. Corporate Transportation’s company drivers, based out of North Florida, provide freight transportation services throughout the continental United States.

Corporate Traffic Inc, (Jacksonville, FL) Founded in 1992 is an industry recognized leader in logistics and transportation services. Corporate Traffic has been listed as one of Inbound Logistics top 100 3PL’s since 1999 for offering clients both quality asset and non-asset logistics solutions. At Corporate Traffic, Never Settle is more than a motto. It’s a quantifiable mentality that all our employees and partners employ to get our clients the results they need, when they need them.
