"The Joester-Loria Group has been using the Mediabox-PA system for the past year and the results have been fantastic. Incorporating this system into the daily routine has not only saved us time, as there is no more need for endless paperwork, but it also significantly cut costs. We have been able to reduce paper waste, printing, and most importantly mailing expenses. The benefits of using this system do not stop there..."

– The Joester-Loria Group Consumer Products

"The Mediabox-PA approval system has made the creative process easy for all licensees where ever they are based in the world. The system is very straightforward and provides Atari with an ideal one-stop solution for approvals." *- ATARI*
