
Brothersoft PPD Service Introduces Spring Special Offer

Experience Quality Brothersoft PPD Service Now with a Bonus

Brothersoft PPD Service is one of software promotion solutions top providers across the world. And now the company has announced a PPD software promotion spring special offer for its software developers across the globe.

This spring, [Brothersoft](#) launched its software promotion event called [spring special offer](#) from March 10th to 25th, which is a sales promotion to get an amazing bonus when you recharge your PPD campaign or refer new PPD

users to Brothersoft. Brothersoft's PPD promotion has been created to help software developers handle software promotion planning in 2010 and help them reach more targeted users with a lower cost of advertising.

Brothersoft's [PPD service](#) has been widely used by a large number of software developers since the launch of this software promotion service. Most of software developers think that this PPD service is a good and effective way for them to promote their software business.

The PPD service, a popular advertising system, offers software developers more opportunities to connect with consumers when they searching and downloading at [Brothersoft.com](#). Software developers can improve their product information search placement by launching or adjusting their advertisements on the Brothersoft PPD system. In this way, software developers could reach more potential users and enlarge their business.

"We hope that our PPD promotion could help more software developers to promote and enlarge their business. In March, we launched the PPD special promotion planning for software developers, including customized PPD promotion plan, a recharge Bonus campaign and PPD Referral Bonus plan," said Maya Liao, Sales Manager of Brothersoft. "If our users recharge your PPD campaign, they will get an amazing bonus. Moreover, if our users refer valid PPD users to us, we will offer generous bonuses to them. There is up to a \$200 PPD bonus if our users recommend us a VIP customer. I believe Brothersoft's PPD solution is a nice choice for our software promotion and hope more software developers could join our promotion planning and benefit from it."
