

VANCOUVER, BC – June 21, 2010

For Immediate Release:

NYCE NETWORKS EXPANDS VANCOUVER GLOBAL HEADQUARTERS

NYCE Networks, a leading provider of innovative Plastic Optical Fiber to Ethernet products, announced today the expansion of its headquarters in Vancouver, BC. A strong increase in demand for the company's products necessitated a move to a new 7,000 square foot facility, which is more than double the size of the company's previous office.

"Our customers have really embraced our product line of Plastic Optical Fiber networking solutions and we have experienced significant growth in the last year." says Matt Rooyakkers, CEO & Co-Founder of NYCE Networks. "Our new Vancouver office provides us with far more space to house our growing team and will allow us to better serve the needs of our valued customers."

The company's new address is 103-8525 Baxter Place, Burnaby, BC Canada V5A4V7. NYCE's main phone number remains the same at 604-473-9800 and fax number remains 604-473-9801. NYCE's office is located in the heart of the Lake City Hub technology park. For directions or further information on NYCE's new office, please contact NYCE at 604-473-9800.

About NYCE Networks

NYCE Networks is headquartered in Vancouver, BC. NYCE is a leading provider of innovative Plastic Optical Fiber to Ethernet products. NYCE designs, manufactures and supplies Plastic Optical Fiber networking solutions to telecommunication companies, builders, installers, and content providers worldwide.
