## **Lauren at Restored 316 Designs Launches a Wallpaper Application for the iPhone, iPad, and iPod touch**

Austin, TX (December 8th 2010) - Lauren at Restored 316 Designs today announced the launch of a brand new iPhone, iPad, and iPod touch application that offers a new wallpaper genre choice just for girly girls. Users will enjoy a selection of wallpapers coined, "Cuptakes", that offers custom designs that are just for the female crowd in the app store. Notable features include:

- One universal app for all your iOS devices, including native resolutions for the iPhone at 960x640, iPad at 1024x768, and iPod touch.
- Cuptakes are originally designed. The 1st version includes 60+ wallpapers for the iPhone and iPod touch, and 50 wallpapers for the iPad.
- Cuptakes for any preference. Also includes Coordinating Lock Screen and Home Screen designs along with Calendars that include the remainder of 2010 and all of 2011. There are also Cuptakes with icon 'holders' that outline your iPhone app icons
- The first version contains seasonal custom wallpapers for Thanksgiving and Christmas. Future updates will include various other seasonal Cuptakes.
- Save Cuptakes as you're viewing them to your Faves gallery
- iOS 4.0 Multitasking support

"My goal was to offer something I wanted myself, and that is, true original girly girl wallpaper designs for my iPhone and iPad. The iPhone and iPad have been such a joy and I just wanted to complement something that's already awesome!", said Lauren, Blog and Website Designer at Restored 316 Designs.

Users can download the Cuptakes Application in any country where an iTunes Store is available.

This is the first version of Cuptakes titled version 1.0, and subsequent versions are planned to follow with the idea to design and launch additional custom wallpapers, and indefinite updates as needed.

The app retails for .99 cents in the US app store and is compatible with iPhone, iPad and the iPod touch.
