

## Mid to Senior Level Executives

### Are you tired of corporate ladder climbing and want to control your future?

We are looking for mid to senior level executives with entrepreneurial spirit and business ambition desiring equity based employment and business ownership opportunities, including: Sales; **Procurement; Management; and Financial.**

**More than 40% of U.S. companies will eventually utilize what we offer, according to Aberdeen.** Our franchise business owners appreciate key differences between us and other business models including:

- **Franchisees own a protected territory;**
- **Our franchise business owners are trained and supported;**
- Our model is a **true franchise business ownership model** (each Franchisee has the ability to sell or transfer their business); and
- There is **no need for cold calling or meaningless prospecting.**

### Franchisee Benefits:

- **Protected territories**
- Opportunity to **build equity in your own territory;**
- **40% of all U.S. companies want what we have; and**
- **A Turnkey system.**

### Business Creation:

- Access to our appointment partner, where **prescreened appointments are set for you;**
- Approved **national corporate affiliates and partners; and**
- **Branded marketing.**

### High Quality Service:

- Continued client quality checks, surveys, and audits for optimum service;
- Customer relations management processes; and
- Client invoice, payment, receipt, and distribution of commission managed by Corporate.

### Strong Management Support:

- You are in business **for** yourself, but not by yourself;
- Intense and in-person five day training; and
- Continued Franchisee training and development.
