**UNTIL VERIZON IPHONE PREORDER**

Verizon Wireless customers have been sounding off with excitement as they can't wait to get their hands on iPhone 4, and GadgetBoost.com is ready to service their Apple iPhone Accessory Needs.

**Verizon iPhone – Everything you need to know**

The **Verizon iPhone** is official — it will be [available for pre-order](#) on February 3 for existing customers and February 10 at [Verizon](#) and Apple Stores. Pricing for the Verizon iPhone is the same as previous iPhones, \$199 for 16GB and \$299 for 32GB. The Verizon iPhone will, however be on the Verizon network so that means no simultaneous voice and data but lots and lots of solid coverage. Check out the links below for more!
