Become a Slim Spring Chick!  
Step into Spring with a Slim Silhouette with the help of Bioslimming by Provence Cosmetics.

**1. Bioslimming Active Slim Gel**

Highly concentrated in caffeine and natural oils, which reduces the appearance of cellulite and the “orange peel” skin. It also contains Active Thermo Agents which activate slimming and fat elimination and increases consumption of calories. It acts on the skin’s firmness, helping to slim, firm & tone.

**2. Bioslimming Active Slim Cream**

Rich in Algae Extracts, Caffeine, Ivy Extract, Horse Chestnut Extract and Essential Oils, Active Slim Cream is a dramatic breakthrough in the reduction of fat and cellulite as well as enhancing weight loss. It also improves the appearance of varicose veins and helps with the appearance stretch marks.

**3. Bioslimming Ultra Slim Effect**

This cold tonic is an excellent Slimming And Anti- Cellulite product. Ultra Slim Effect is applied on top of Active Slim gel or/and Active Slim Cream to dramatically slim and firm your body contours and reduce visible cellulite “orange peel” skin and fat deposits.

**4. BODYPRO50 Ice Flow Gel It Can’t Get Cooler Than That!**

Ice Flow Gel is a safe and fast pain reliever containing 62% natural ingredients such as plant extracts and pure essential oils. With Maximum Ingredient Strength ICE FLOW GEL delivers fast, lasting relief; provides a cool sensation followed by a deeper heat. It quickly heals sore muscles, muscle strains and sprains by increasing local blood flow. The plant extracts work in synergy with essential oils having an analgesic, anti-inflammatory, decongestant and anti-rheumatic effect.

**5. Day Cream Multi-actions a Beauty Secret!**

Day Cream Multi-actions is an anti-aging moisturizer that lightens, fades and prevents dark spots. Formulated with brightening technology it ensures an evenly luminous complexion. It contains synergic vegetable complex: Brightening agent, Anti-UV action and sea collagen: anti-wrinkle, anti-aging.

**6. Bioslimming Slimming Wrap: Join the Revolution!**

Bioslimming is a Revolutionary New Slimming Program direct from France. It targets cellulite, fat, burns calories, enhances weight loss and slims, firms & tones producing fabulous visible long lasting results from first treatment. One of the strongest professional products available, it is packed full of essential oils, plant and algae extracts & caffeine resulting in a wide range of additional therapeutic benefits which includes improving the appearance of varicose veins & stretch marks.
