WHAT PROFESSIONALS ARE SAYING ABOUT THE DCC TRAINING WORKSHOPS:

"I found the DCC Online Course really informative and full of resources. The course provided me with guidelines for putting distance counseling into practice. I'm thankful for the practical information. I'm so glad this was provided as an online course. It gave me the opportunity to really look into some of the online resources without time constraints. I think I got more out of it that way. Thanks for all of it." Linda Richardson, MA, NCC, LPC

*"The course was very informative! It showed how to actually set up to perform distance counseling as well as the pitfalls and how to best prepare clients for the process. The Ethics section and best practices sections were my favorite! Thank you!"
Dr. Monty Atchley, LPC/LMFT*
