

Shriners Hospitals Fundraiser To Include “Shoot For A Car” And “Slam Dunk Contest” At RoundRock 3on3 Basketball Tournament

On June 11th Rocklin based RoundRock 3on3 will be hosting its first annual “Shoot For Shriners” fundraising event on the streets of Downtown Sacramento. RoundRock 3on3 attendees and players can pay to enter a variety of contests, culminating in the “Shoot For A Car” event held on Saturday evening. All proceeds from contests held for “Shoot For Shriners” will go to Shriners Hospitals for Children®.

Shoot For A Car

Tickets will be sold throughout the event for \$1 each for a chance to win a free 2-year lease of a vehicle from Kuni Motors of Sacramento. At the end of the tournament, 2 contestants will be selected to play. This contest provides eligible contestants the opportunity to shoot a series of increasingly more difficult baskets - starting with a lay up and then ending with a 1/2 court shot - in 24 seconds. If all of the baskets are made, the contestant will win a free 2 year leased vehicle.

Slam Dunk Contest

US Cryotherapy in Roseville (a new cold-air treatment center for faster recovery and better health- featuring a whole-body walk-in chamber and a localized body-part cold air device) will be the premier sponsor of the Shriner’s Slam Dunk Contest. For a \$5 entry fee, players will be able to display their 3 best slam dunks. The winner will be receiving a US Cryotherapy Diamond Treatment package - one month’s worth of Whole-body/Localized cold treatments and six hours in their warm water Hydro-Massage bed. The Slam Dunk preliminary rounds will be held throughout the day with the Finals held on Saturday evening prior to the “Shoot For A Car” event.
