#AppFriday:- Get The Great Snail Race 1/2 Price Friday 24th to Sun 26th

Melbourne, Australia On 21st June 2011 – **123 Number Fun** today announce the first book by popular Children's Author Jane Hague, "The Great Snail Race" is taking part in the exclusive "Moms with Apps" App Friday Promotion. "The Great Snail Race" is a fun interactive story about a week at Number Town School with Little Tilly Two and focusses on counting and sequencing. This great book app will be **1/2 Price** June 24th to 26th.

Stories from Number Town is a ten part series of delightful children's stories that bring numbers and counting to life using fun characters that inspire young learners.

The Great Snail Race is a story about Little Tilly Two and focuses on the number two. Identifying numbers and counting are important early learning skills. Stories from Number Town represents each number in a fun pictorial way that young children find easy to understand.

These simple stories and delightful illustrations provide an effective way for parent and child to explore numbers, basic maths and reading skills in everyday situations.

As you read to your child encourage them to find examples of number two in the illustrations, the more they find the happier they will be! This book also incorporates an interactive counting pad to help young children practice counting.

Stories from Number Town books feature a professional narration along with three reading formats depending on the child's ability. In addition touch sound effects and page animation provide a rich reading experience for all young learners.

The Great Snail Race is available for \$1.99 in the U.S.A and is priced accordingly in other regions. Available World wide via Apple's [App Store](#) or by visiting [123numberfun.com](#)
