

## **Mosaic Technology Achieves Dell Preferred Partner Status**

**SALEM, NH, July 18, 2011** - Mosaic Technology, a leading expert in virtualization and data storage technology, today announced that they have achieved Preferred Partner Status in the Dell PartnerDirect Program. Dell recognized Mosaic's in-depth knowledge of the latest Dell solutions and its ability to provide customers with the most accurate and up-to-date information and advice. The Preferred Partner status award follows Mosaic Technology's success as a Top 100 Private Company in New Hampshire, as well recently being recognized by CRN as one of the Top 500 Technology Integrators.

"We are incredibly honored to be named a Preferred Partner by Dell," said Tom Desmet, President and CEO at Mosaic Technology. "This reflects the hard work that the team has put into delivering a working vision of the competitive data center. At Mosaic, we know that to get there, companies need the right plan, the right products, and especially - the right partner."

As a Dell Preferred Partner, Mosaic Technology provides customers with an unparalleled level of knowledge ensuring that the right Dell solution is deployed to match the organization's business objectives. Mosaic Technology has been providing IT infrastructure solutions to companies for over 15 years that help meet IT and business needs. They are a trusted advisor to small-to-medium businesses (SMBs) throughout the U.S. deploying end-to-end solutions that solve virtual desktop infrastructure, storage, and disaster recovery challenges.

Dell Preferred Partner status reflects Mosaic Technology's level of investment in training, education, and certification, and their commitment to the relationship.
