

VANCOUVER, BC – July 25th, 2011

For Immediate Release:

NYCE ANNOUNCES USA DISTRIBUTION AGREEMENT WITH TRINET COMMUNICATIONS

NYCE Networks, a leading provider of innovative Plastic Optical Fiber to Ethernet products, announced today that NYCE has entered into an agreement with TriNet Communications to distribute NYCE products in the United States.

TriNet is a leading distribution and supply chain logistics company that has been serving the telecommunications and cable industries in the US for over 20 years. TriNet will distribute NYCE's innovative line of residential and commercial Plastic Optical Fiber networking products to customers nationwide.

"We are very pleased to be working with TriNet," says Bill Gill, Vice President, Sales & Marketing for NYCE. "They have an outstanding reputation and track record of delivering excellent service to customers. This agreement is a significant accomplishment for NYCE and will help us expand our ability to reach more Service Providers and customers in the United States."

"NYCE offers very unique networking products that can help Service Providers improve service delivery, simplify installations, and reduce repair calls," says Jason Skeoch, TriNet's Vice-President of Sales & Marketing, "We are excited to distribute NYCE's innovative products to our customers."
