

FOR IMMEDIATE RELEASE

FREE SERVICE TO BUSINESS OWNERS

Las Vegas, NV (August 19, 2011) - Las Vegas based Market Research Group U.S. Business Survey is offering their services completely free to all business owners in the United States. The company is launching an effort to assist struggling businesses affected by the recession.

U.S. Business Survey was created for the purpose of helping businesses gain access to information that may help their enterprises become more competitive. These market research professionals are volunteering their time to introduce companies to positive changes that can be made to their current business model. Additionally, the research by U.S. Business Survey will introduce business owners to strategies that have proven effective within their industry and geographic region.

To register for this free service, all business owners should visit the group's website, www.usbusinesssurvey.com and complete the short web-based survey.

About U.S. Business Survey

U.S. Business Survey is a resource for business operators throughout the United States. By taking an in-depth look at the current and future economic position, we provide the tools to maintain, grow, and strengthen business in America. We gather perspectives within each local community giving business operators a detailed view of how their counterparts are adapting to the ever-changing economic climate in their region. Our purpose is to strengthen business communities, cultivate leadership & philanthropy, and assist in growing a sustainable economy. Through detailed market research, U.S. Business Survey is helping build a strong foundation for the future of our nation.
