

Twitter, Facebook, Social Media, Text Messages..... Technology is ruling the world. Now everyone can stay connected with two new books by California author, Kathleen Barbier, **Sweety Tweets in a Fast-Paced World** and **Sweety Mail in a Wiggged-Out World**. Learn how to keep messages short and sweet, but still get the point across in a loving way. From missing lunch or resolving conflict, both books will guide the reader on how to send short messages on Twitter or by text to family, friends, and colleagues.

Sweety Tweets is a revolutionary self-help book that offers communication and relationship advice, as well as fun games to keep your love alive in a 120-or-less-characters-sound-bite world. **Sweety Tweets** is written for those used to an extremely short message length.
