## ZweigWhite Recognizes SRP Environmental LLC as One of Nation's Fastest-Growing Environmental, Health and Safety Firms

**Shreveport, LA - November 28, 2011** - Management consulting and research firm ZweigWhite, has named **SRP Environmental LLC**, an environmental services company headquartered in Shreveport, LA, as one of the **200 fastest-growing architecture, engineering, and environmental consulting firms in the U.S. and Canada** for its annual ranking, **The Zweig Letter Hot Firm List**. This annual list features the design and environmental firms that have outperformed the economy and competitors to become industry leaders on the basis of percentage revenue growth as well as absolute dollar revenue growth over a four-year period. SRP Environmental LLC has received the rank of #124 on The 2011 Zweig Letter Hot Firm List released by ZweigWhite.

Over the years, the "Hot Firm" designation has become synonymous with success in the industry. Firms on The Zweig Letter Hot Firm List are recognized the world over as well-managed companies that outperform their peers because they excel in their field and provide superior customer service for their clients.

SRP Environmental provides full service environmental, health and safety consulting through a network of offices in North America and the Pacific. With over 125 years of combined experience, their expert staff is able to leverage its diverse knowledge base to ensure that clients are in compliance with applicable environmental, industrial hygiene and safety regulations. SRP provides an array of services to clients across all industry sectors in the areas of environmental compliance, assessment and remediation as well as industrial hygiene consulting, safety management services and comprehensive environmental, health and safety training solutions.
