The Hawaii Sacred Choir is a nonprofit corporation formed to foster in Hawaii's current and future generations an education in and love of the world's greatest sacred choral literature from Gregorian chant (plainsong) through contemporary cathedral repertoire and to share this music with the community by performing it in concerts and recordings. We ask you to help support this mission with a free-will offering.

The choir consists of children trebles singing with adults, creating a beautiful and unique vocal texture similar to that of King's College Choir or the historic Sistine Chapel Choir. Please join us for our concerts!
