**FOR IMMEDIATE RELEASE**

**Saint Louis' New First Lady of R&B/Soul, Aunya Heart, Releases Debut Single, "Be With You" on Valentine's Day**

**Heart Fans, Get a Sneak Peak at Upcoming Performances**

**St. Louis, MO - February 6, 2012 - Wu Cuz Productions** is proud to present, **Aunya Heart**. Aunya, 22, has been singing and recording music since the tender age of fourteen. She is not only an amazing, soul-stirring vocalist, but she is also an accomplished keyboardist as well (her instrument of choice is the Fender Rhodes). **Aunya** is set to release her first single "**Be With You**" on **February 14, 2012 (Valentine's Day)**, with her full CD to be released later this year. "**Be With You**" has a deep-rooted soul-feel that you cannot get out of your head once you have listened. "Aunya, through her music, reconnects with the heartbreaks, the highs and lows of relationships," proclaims **Wu Cuz Owners Andre Delano and Kevin Slater**. This disclaimer also describes many of the other songs on her album such as: "**Wish I Never Met Ya**," "**No More (Stop Trippin')**," "**Oops**," and "**These Four Walls**." "I feel the best songs are the ones that show just how vulnerable we can be and how human we all are," says Aunya.

This new R&B/Soul single, "**Be With You**," will be an internet download exclusive. It will be available on **CD baby, iTunes** and other online music outlets. St. Louis fans will be able to get an early listen of the full song at two of Aunya's upcoming performances. On **Friday, February 10th at 6pm, Team Aunya** is hosting a **Meet and Greet at Exo Lounge**, 3146 Locust Street, Saint Louis, MO and on **Monday, February 13th at 7pm, Christian Coutu** will host "**Take the Stage Valentine's Day Edition**" at the **University City Public Library**, 6701 Delmar Boulevard, Saint Louis. **Aunya Heart, 22**, [www.aunyaheart.com](http://www.aunyaheart.com) is one of the hottest young singers and musicians to hit the St. Louis music scene. She has been compared to **Alicia Keys** due to her strong vocals and exceptional keyboard skills. She has also been coined the female **D'Angelo** by music industry execs, due to her soulful delivery. Aunya will release her debut single "**Be With You**" on **February 14, 2012** with her full CD to follow later in the year.

**Wu Cuz Productions**, a D.B.A of 7th Note Entertainment, Inc., is a multimedia company committed to quality entertainment from a wide array of music genres. Wu Cuz distinguishes itself from other production companies in that each person involved – from executive to artist – has a voice, an opportunity to learn and the ability to use their creative skills in a productive environment. Wu Cuz Production's main offices are located in Carson City, NV, with studios both in Saint Louis, MO and Los Angeles, CA. **Aunya Heart** is the first female artist to be released on the roster.
