

Schoko®

A mark of true taste.

Your logo in the finest chocolate.

Schokologo – The finest calling card.

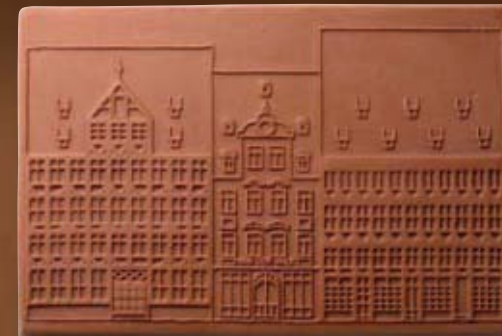

Who we are ...

A young, innovative company based in Düsseldorf, Germany, Schokologo is a chocolatier whose specialty is creating premium-quality chocolate in singular shapes.

What sets us apart is the cutting-edge technology we use, affording you all the advantages of

- precision reproduction of even the finest details,
- minimum orders starting at just 50 pieces,
- low setup costs.

We bring creativity and commitment to the table, letting you communicate your own special message in an eye-catching package.

What we do ...

We stamp your logo, slogan, brand or product replica on one of three varieties of the finest Belgian chocolate – milk, dark or white.

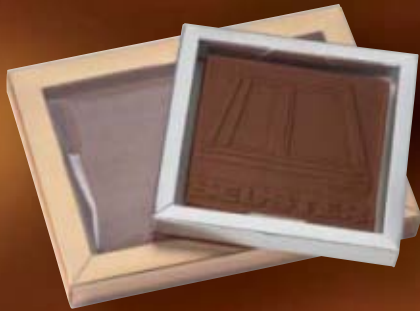

From XS to XXL.

Size is no object. We have just the right Schokologo for you – weighing anywhere from 10 grams to 1,000 grams – to suit your budget, order size and individual needs.

All wrapped up.

Each piece of chocolate is sealed in cellophane and placed in a premium-quality gold or silver gift box, which you can also have embossed or imprinted just as you like.

Our Schokologos also make unique gifts when presented in glossy multi-pack boxes. Each box can accommodate different logos as well as different types of flavours.

Form is function.

Schokologos don't have to be straight and narrow. Special shapes can give your logo the edge – or make it an all-round success.

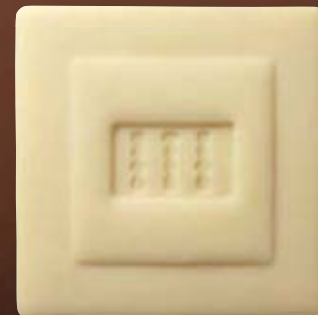

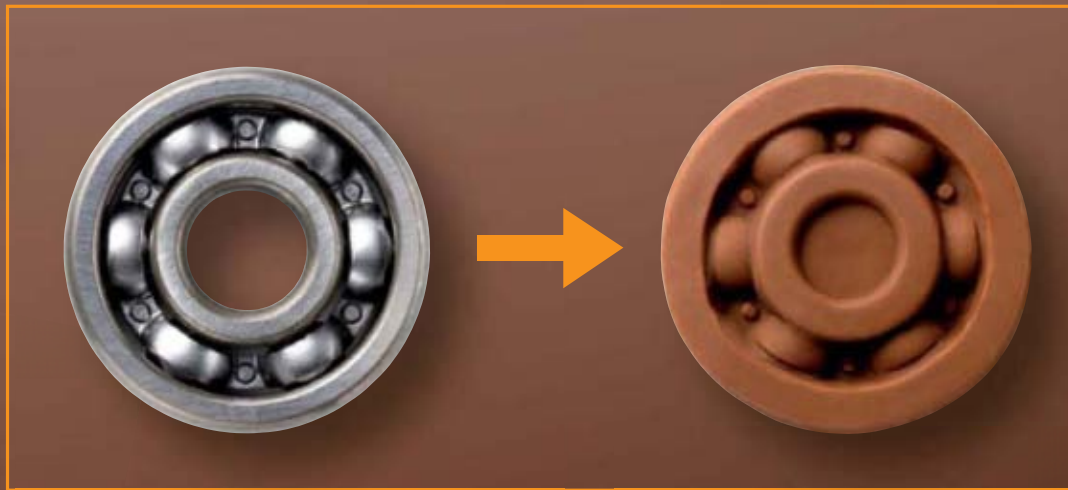

All the designs pictured here are available as standard shapes that can be customized to meet your needs. The benefits to your business are solid gold.

Yours and yours alone.

Your product in chocolate

Perhaps you've launched a new product you'd like to showcase in memorable fashion. No better way to pay tribute to

it than with a chocolate counterpart. Send us an original or prototype to receive our offer – at no obligation.

Sweet greets with the Schoko-Card.

Schoko-Cards pair your company's custom Schokologo with a beautifully designed greeting card. Bring joy to clients, associates and team members alike by sending them your Schoko-Card with personal dedication.

Simply choose your favourite from our large range of designs – we'll take care of the rest.

Schoko-Cards are an excellent way to send greetings for parties, birthdays, anniversaries and other events. If you like, we can even deliver them directly for you to each recipient.

Merry ... Easter!

There's good cause for celebration all year long. Whether to spread the spirit of Christmas or Easter, share love on Mother's Day or ring in the New Year, chocolate is just the thing. A sweet treat from Schokologo lets people celebrate your company, too.

Our tablet-style Easter eggs come ready for use in standard-size mailings or in a larger format to serve as gifts in their own right. Keep your clients sweet with a lovely chocolate Easter egg bearing your logo.

Treat very special people ...

Life's a box of chocolates ...

A bar of chocolate emblazoned with your logo is flanked on all sides by 19 fine pralines. Hand-crafted by a master chocolatier, the chocolates are always freshly made and come in a gold, silver or red box.

Available in various sizes, our transparent-top gift box combines a Schokologo bar and pralines. Please enquire about current selections.

... to something very special.

Bonbon bouquet

Our one-of-a-kind "bonbon bouquet" made from the finest chocolate pralines stays fresh and keeps its good looks. Your clients and colleagues will be thrilled to receive one of these exclusive creations in combination with your very own Schokologo.

Cheers, Schokologo!

The dream couple have found each other!

Let our magic work for you.

Our chocolate test lab is constantly at work perfecting new confections. So we're certain to have just the creation to tempt you with.

Are there other chocolate products you might like? Talk to us – we're open to all ideas.

If you like, we'll also take care of the entire process from production and finishing to individual delivery to your recipient's door.

It's that easy:

What do you need to make (my) chocolates?

We need a print-quality (min. 300 dpi) b/w line drawing which can be sent to us via e-mail.

And to reproduce products in chocolate?

For that, we need an original or prototype of your product in the required size.

What varieties of chocolate do you offer?

We offer milk, dark and white chocolate – the finest Belgian Callebaut chocolate. All three can also be combined in one multi-variety box containing 2, 3, 6, 8 or 9 Schokologos.

Does the gift box have to be gold or silver?

No, for a surcharge we can also colour-print a box according to your specifications.

How long does it take?

We generally need three weeks to complete an order. Depending on our capacity and your delivery destination, we can also expedite orders for a fee.

Can we try some samples first?

Of course. We'll be glad to send you a free sample. Just call us or send us an e-mail.

How much does all this cost?

Let us know how big you'd like your designs and how many pieces you will need – we'll prepare a quote in no time, and at no obligation.

What are setup costs?

These are fixed costs that include everything from the manufacture of the forms to the embossing of boxes.

Where do you deliver?

We ship worldwide, in each case choosing the most convenient solution for you, either to your doorstep or directly to your recipients

How long do Schokologos keep?

Schokologo chocolates keep for around 12 months if stored in a cool, dry place.
