

## FOR IMMEDIATE RELEASE

### TQLS Inc. Changes Name to *Nyborg*

Charlotte, NC – May 22, 2012 – TQLS Inc with warehouse and distribution locations in Charlotte - NC, Columbia - SC, Knoxville - TN, Memphis - TN, Birmingham - AL, Mobile - AL, Richmond - VA and Kansas City - KS, announced today that its name will change to Nyborg effective immediately. At the same time, the company unveiled a new corporate identity and Web site, [www.nyborglogistics.com](http://www.nyborglogistics.com)

Although the core services will remain the same under the new name, the change to Nyborg signifies a move to strategically position the company as the **leader in high-end asset integrated logistics**.

Jim Nyborg, President, said, "It is our intent that the corporate name reflects a personal guarantee for quality, creativity, innovation, and dedication to the highest service standards we are known for in the industry." Nyborg: "Many years ago, I received a delivery of a very large, very expensive piece of equipment that was left at my front door – without a signature or any precautions taken for its safety. Since that day, I've made it my life's work to ensure that high-end assets are handled the way they should be; with the utmost precision and care."

Nyborg's defines itself as a fully integrated trucking and logistics company with its own fleet that specializes in moving high-end assets such as commercial grade electronic equipment and specialized machinery, with long-and short-haul trucking, LTL, warehousing with optional climate control, leased asset returns, in-warehouse assembly/ installation, testing, training and kitting. With both an asset based division and a non-asset based division, Nyborg's specialized shipping division, has the ability to search multiple channels and carriers to best meet its client's schedule, service needs, and cost requirements.
