

## Instant Checkmate Shatters Target Growth Goal, Hits a Half Million Sales

*Instant Checkmate's astronomical success is evidenced by their latest achievement of gaining over 570,000 customers since the company's inception in 2009. With a home base in Las Vegas, Instant Checkmate's star is on the rise*

San Diego, CA, Aug 2 2012-- Online background check start-up Instant Checkmate announced a significant moment in the company's history. Since going live in 2009, Instant Checkmate has attracted over 570,000 customers, including over 200,000 current subscribers. The juggernaut in the background check industry strives to provide people with quality, up to date information as it rapidly updates its impressive database of records.

Instant Checkmate compiles a variety of information such as sex offender data, local demographic information, aliases, birth, death, and marriage certificates, [arrest records](#), convictions, possible relatives, and much more from a number of databases at both the local and federal level, as well as independent sources. Subscribers can use Instant Checkmate to locate registered sex offenders in their area and discover more about the people inhabiting their communities. This allows anyone, at anytime, easy and anonymous access to all sorts of public data about specific individuals.

According to Michael Smith, Customer Relations Manager for Instant Checkmate, "Instant Checkmate has become arguably the most popular internet background check service in the country". The popularity of the site is frequently attributed to the high quality of the information it provides, as well as the user friendly nature of the site itself. Smith goes on to say "Even for someone who isn't particularly adept at navigating the internet, Instant Checkmate's interface is incredibly straightforward and easy to use."

With a combination of innovation, quality customer service, and product reliability, Instant Checkmate has been able to rapidly increase sales, sustaining unimaginable growth rates month over month and year after year. In its relatively short lifespan, Instant Checkmate has successfully served hundreds of thousands of users after just a few short years of being in business.

Instant Checkmate continues its forward momentum, sustaining continued growth in both its clientele and staff. The company looks on pace to continue on its trajectory toward a stable and successful future.
