## **Valore Group - Launches It's First Annual Team Building Event - Chesterfield Palm Beach**

Palm Beach, FL, - Over the years we have found that building a comfortable and exciting team environment is key to success. Kevin M. Leonard Founder of Valore Group had the vision to create an Advisory Board which consists of key associates at the firm. The purpose of the Advisory Board is to create a bottoms up company and a platform of effective communication throughout the team. On November 3, Valore Group held their first annual team building event at the Chesterfield Hotel in Palm Beach. With 50 associates in attendance, the cocktail and social hour was a great success. Valore Group Advisory Board Member, Anderson C. Ohman, Jr. commented, "It has been a privilege and pleasure working with such a visionary like Kevin. As a board member I felt it important to have the team get to know both of them as well as I do."

The Advisory Board which is spearheaded by Tony Jordan, Tierney O'Hara, and Anderson C. Ohman, Jr. coordinated the Team Building event at the Chesterfield in Palm Beach. Tony was recently appointed to the Board of Directors for Lighthouse for the Blind, Tierney has been active in the Palm Beach Social & Business Community for over 20 years & Anderson has displayed his acumen for luxury sales in Palm Beach for the last several years.

Mike Pappas, President & CEO along with Fritz Hawkins, VP of Keyes came to show their support for their luxury division in Palm Beach. The Keyes Company does over \$2.5 Billion annually in sales and saw the opportunity to emerge as a leader in Palm Beach by partnering with Valore Group.
