**How it Works:** *Operation KidSafe* captures your child's picture and fingerprints using a digital video capture device, digital ink-less fingerprint capture device and specialized software. The captured data is assembled and a quality 8 1/2 x 11" printout is given to the parent. The parent can use the printout they receive to provide to law enforcement anywhere in the world to *instantly* aid in an investigation.

**NOTE: No database or records of children are maintained.  
The only record of the visit will go home with the parent for safekeeping.**

**All children 1 year and older and special needs adults are encouraged to attend.**

Join the Clay County Sheriff's Office along with the Justice Coalition and Operation Kidsafe for this FREE digital fingerprinting, photo and safety event.

**Operation Kidsafe**  
ONE MILLION CHILDREN PROTECTED

Local Schools and Organizations that agree to provide this information to parents are not endorsers of the program. They provide this strictly for informational purposes for parents.
