Press Release

Respected Auto Industry Veteran Tom Leimkuhler Joins Newport Beach Supply Chain Consulting Firm

Newport Beach, CA, November 15, 2012: Tom Leimkuhler, a 28 year automotive industry veteran, has joined CPC Consultants to offer his experience to start a newly created automotive vertical within the firm. Tom's most recent posting was COO of Hyundai Mobis Inc, Hyundai/Kia's Parts company overseeing a Billion dollar enterprise supporting over 1,700 dealers. "Tom's expertise is a great addition to CPC and his talents will open up opportunities in new verticals," added Charles Popick, founder of CPC Consultants. Tom is looking forward to his new role helping companies improve their bottom-lines.

About CPC Consultants: CPC Consultants was established in 1998 to work exclusively with shippers and optimize their supply chains. CPC Consultants has gained a reputation for integrity, trust delivering high value ROI on projects for its clients. CPC Consultants also levels the playing field for Shippers and Transportation Providers alike. More information about CPC Consultants can be found at www.cpc-consultants.net
