and *Apple Pie*

A Delicious Journey  
Across America

*Whiskey & Apple Pie* is a thought provoking and heartwarming documentary that brings into focus the wisdom of our older generation. In the documentary, two forty something women take a journey across America to capture the stories of men and women over the age of Seventy-five. The documentary includes interviews with both men and women who share their wisdom, their humor, their joy and their passion. *Whiskey & Apple Pie* brings to light questions about the choices we make in life and, in some cases, the recipe for living a better life. In the mix, there are poignant messages for our younger generation, inspirational quotes and nuggets of wisdom. The film features notable "elders" such as Tippi Hedren, Mickey Rooney, Carmen Delgado Votaw, Dr. Dorothy I. Height, and original music from Sahra Baker, Joe Ruffatto and the Florence Adams band. *Whiskey & Apple Pie* is a delicious journey for every generation to enjoy.
