## VOUCHER SNAP POS CERTIFIES WITH THE DISNEY TICKETING INTERFACE

### Disney Online Ticket Integration

Longwood, FL, March 1, 2013– Voucher Snap POS is pleased to announce its certification with the Disney Ticketing Interface has been completed. DTI is used to activate, query, void, and reserve Disney Theme Park tickets (for delivery by mail, print at home, or as will-call).

*Beth Griffin, President and Lead Software developer for Voucher Snap POS, says” We are very excited about completing our certifications with DTI. This allows our customers to send their guests directly through to the turnstile. This a very hot issue for our marketing directors, looking to enhance the customer experience!”*

About Voucher Snap- Voucher Snap POS licenses vertical market software designed for the Timeshare and Tourism Industry. Voucher Snap works well with variety of companies, from timeshare companies to visitor centers. If you sell or gift attraction tickets then we can help you.
