

FOR IMMEDIATE RELEASE

NEW HOLLYWOOD OPERATED FILM STUDIO OPENS IN GEORGIA

Senoia, GA, June 6th 2013. GO 2 STUDIOS, a leading mainstream film distribution outlet servicing companies such as Red Box, Best Buy, Wal-Mart, Netflix, and an array of other nationally acclaimed television networks. Today officially opens its new facility at its headquarters on the same lot with Raleigh Studios, in Senoia Georgia.

Representing a significant number of experienced and inspired film producers and directors across the country enables GO 2 STUDIOS to reach the masses in the film industry. The success of GO 2 STUDIOS comes with its President, famous L.A. Casting Director Latanya Potts's experience casting A-List actors and actress for over 17 years.

The facility has also been equipped with a state-of-the-art editing and production suites along with access to lot space for shooting professional films.

Commenting, GO 2 STUDIOS, Latanya Potts, said: "Our film services will allow new and experienced professionals in the film industry access to growth and opportunities. Our company represents a significant investment into the growth and continuing success in the film industry. We also look forward to providing jobs to the community at large."
