

SUGGESTED USE:

As a dietary supplement take 1 - 2 capsules daily with 8 ounces of water.

LIVE™ provides the most effective natural blend of ingredients to support the immune system. The key ingredients in LIVE™ have been suggested to boost your immune system naturally by increasing the number of T-lymphocytes (white blood cells that fight off infections) and allow your body to fight off viruses & bacteria that cause illness. The powerful ingredients in LIVE™ have also been suggested to increase antibodies which encourage growth of immune cells, providing protection for essential nutrients that increase antibody levels and keep you well. For best results, CLEAN™ should be taken with LIVE™ & LIVE™.†
