For Immediate Release

SPINTRIPS *Go! Vegas*
By RTNTRUE

August 21, 2013

Los Angeles – *Go! Vegas* is a SPIN GAME advancing tourism in Las Vegas through promotions and introductory offers. This new Free app by RTNTRUE, (*Go! Vegas* release date August 23th, on the apple app store), is really a marketing app for travel and tourism, dressed up pretty in a game. Users simply spin the wheel with their finger, and win a promotion (restaurants, airfare, attractions, amusement parks, museums, hotels, and shows). The User may spin as often as they wish, and EVERY USER WILL WIN A PROMOTION, IF THEY PLAY LONG ENOUGH. Revenue generated for this app is solely ad based.

Simply download SpinTrips *Go! Vegas* and PLAY

YOUR PROMO CODES and app URL

Promo Code 1: LIVE! No Code Needed.

Promo Code 2: LIVE! No Code Needed.

HOW CAN THIS BE?
Travel Companies Give Over 4 Billion (with a "B") dollars in Promotional items yearly, spending as much in ads.
Travel Companies currently use third parties to disperse these promotions.
With Go! Vegas, Users find seasonal promotions the fun way, through our copyrighted spin game.
SpinTrips by RTNTRUE also licenses apps to Travel Companies Worldwide. (provisional patent)
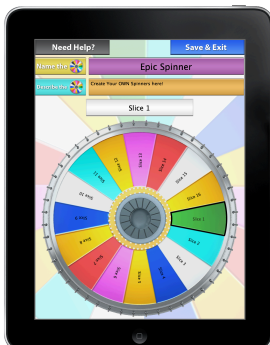

Go! Vegas is Currently Available as an iPAD app, with an iPhone release scheduled for Sept 20, 2013, and an Android, Kindle, Nook, Windows launch scheduled for Sept 30, 2013. Several new updates, features and games are planned for 2014.
