# Grogan the Monster

in... **What do you love?**

by Richard McLean

Hmmm...

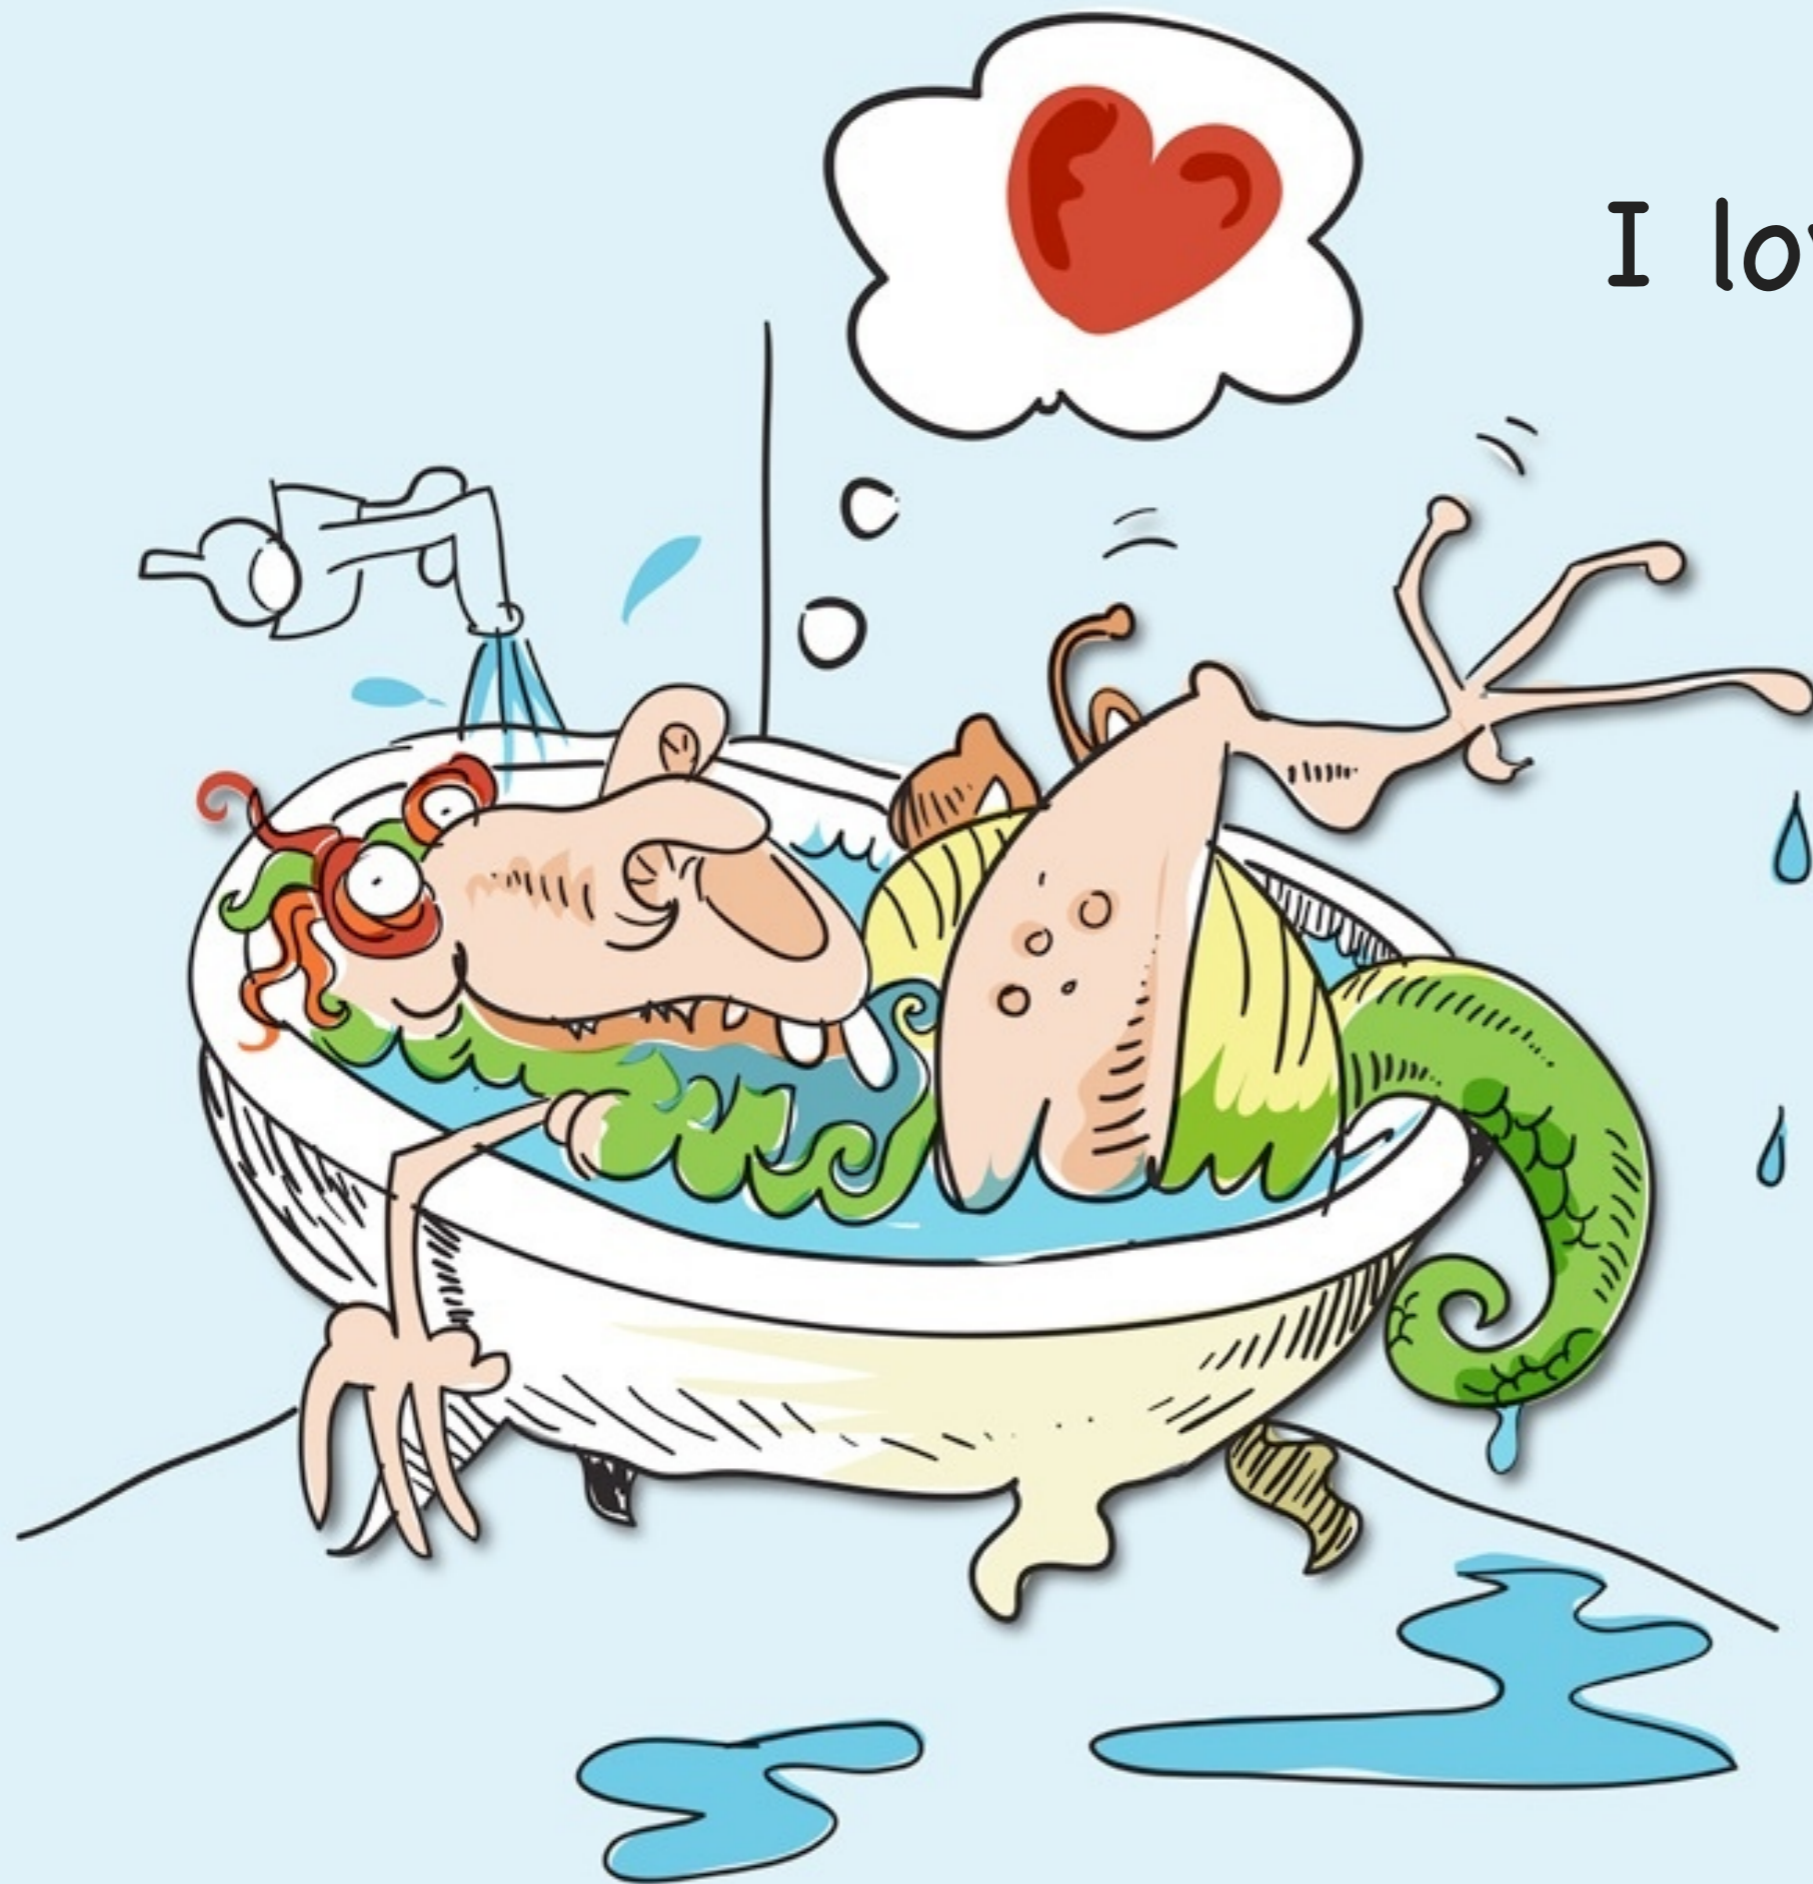

I love my Mum!

I love the sun!

I love a bath...

I love my bed...

I love my friends, Jimmy and Red!

There is no time for me to be sad,  
This is the best day I've ever had!

I love my faithful beating heart,  
And I love my food - that makes me fart!

I send love to my bed all day long,  
So it meets me there - later on!

I send love to whatever you do,  
So lots of love can meet you there too!
