### **24ravens Announces Relationship with Complete Nutrition**

*24ravens is now an approved vendor for Complete Nutrition and will be retailing Pulse in many of their 175 stores across the United States.*

**Whitefish, MT – November 25, 2013** – 24ravens, a global nutraceutical company committed to naturally supporting the immune system, is thrilled to announce that it has successfully completed the six month vendor-approval process with Complete Nutrition. 24ravens' marque sports nutrition product, Pulse, can now be carried by every Complete Nutrition franchisee in the United States.

“Our new relationship with Complete Nutrition and their fantastic franchisees will provide enhanced ordering options and convenience for our customers,” says Dr. Rollan Roberts II, 24ravens founder and CEO. “Expanding our market reach to 175+ retail locations throughout the United States with an organization like Complete Nutrition is a testament to the uniqueness, science, taste and effectiveness of Pulse. It's in a category of its own.”

Pulse is the finest biologically active, non-denatured, native whey protein designed to maintain the full range of all the fragile immune-modulating and regenerative components naturally present in fresh raw milk. Pulse supports lean, healthy muscle growth, enhances muscle recovery, controls hunger, manages weight, supports joint health, and maintains good energy levels naturally without compromising health with damaged protein.\*

Pulse uses milk derived from cows that are 100% grass-fed and graze year-round on natural pastures. It is low glycemic, GMO-free, hormone treatment and soy-free, pesticide and chemical-free, undergoes minimal processing, and contains no added sugar or artificial sweeteners (sweetened with Stevia).

More information about Pulse by 24ravens is available at [PulseSportz.com](http://PulseSportz.com).
