*AmazingTape*TM To Showcase Patented Tape Technology For Hobbyists At CHA.

January 2, 2014 – Anaheim, California. AmazingTapeTM is a patented, non-adhesive tape which is both permanent and reusable and provides thousands of craft and hobby uses. The product will display its unique features and benefits this month at the **Craft and Hobby Association Conference and Trade Show** to be held January 10-14, 2014 at the Anaheim Convention Center in Anaheim, California.

CHA 2014 will bring together the entire crafts and creative industry for four days, with retailers small and large, independent chains, and vendors from across the world. *"Amazing Tape is for anyone who is looking for a clean, strong and easy-to-use alternative solution to sticky tapes, zip ties, or Velcro. We're delighted to attend the world's largest craft and hobby trade show and demonstrate our patented product to the world's creative hobbyists"* says Marinela Gombosev, Amazing Tape Management LLC CEO.
