

## **The 2013 Brandon Hall Group Excellence Awards in Technology Torch Learning Management System Wins Gold**

**Torch Learning Management System (LMS) by Prometheus Development**, a leader in workplace learning technology, won a coveted Brandon Hall Group gold award for excellence in the Best Advance in Learning Management Technology for Small and Medium-Sized Businesses category.

Torch LMS's win was announced on January 10th, 2014. The winners are listed at [http://go.brandonhall.com/Excellence\\_Awards\\_Home](http://go.brandonhall.com/Excellence_Awards_Home).

"We are honored to accept this award. Our breakthrough innovation is that we have boiled down the idea of a business-focused LMS to its essentials, and we have made Torch LMS highly intuitive and exceptionally easy to administer. On behalf of our team at Torch LMS, it is an honor to be recognized by our industry for our drive to innovate," said Jake White, Chief Executive Officer of Torch LMS.

The entries were evaluated by a panel of veteran, independent senior industry experts, Brandon Hall Group senior analysts and executive leadership based upon the following criteria:

- **Product:** What was the product's breakthrough innovation?
- **Unique differentiators:** What makes the product unique and how does it differ from any competing products?
- **Value proposition:** What problem does the product solve and/or what need does this product address?
- **Measurable results:** What are the benefits customers can expect to experience as a result of using this product?

### **About Prometheus Development, Inc. (Torch LMS)**
