Talk the Talk

Thank you for your interest in OlsenSpeech, provider of premier communication skills training.

Communicate effectively. Speak well. Present skillfully.

Excellent speech and communications techniques are powerful business tools.

JP Morgan Chase knows it. So does Morgan Stanley; Price Waterhouse Coopers; Citibank; Moody's Investors Service; Colgate Palmolive; Nautica; PSE&G – even the United Nations.

Since 1996, these organizations and many others have relied on OlsenSpeech to help their representatives become more effective speakers.

Our proven program can help transform you and your employees into clear, concise and convincing communicators – engaging speakers who command attention and get results.

"Everyone who's anyone has Ita Olsen as their speech coach"

The OlsenSpeech difference

OlsenSpeech is led by Ita Olsen, one of the world's leading authorities in corporate speech techniques.

Our unique proprietary training system has been engineered from the ground up with a focus on giving you the upper hand in the corporate world. From persuasive speeches to winning interviews, your voice is going to be dripping with the poise and firmness that others in the office long for. We then help them assimilate these new skills into daily life. Each program is personalized and is constructed so that clients automatically apply what they've learned in real-life situations, often with life-changing results.
